yup - september is right around the corner!! So do you want me to just get you a gift card then to try to avoid duplicates?
kate, that is cool about the bison!

chrissy came in 3rd...so it was a bit of a bummer since the top two move on to the next round....but he still did well. I love to watch - I must be part red-neck. haha

Don't stress about the registry. If you get duplicates you just exchange them for stuff you want or get giftcards for diapers...no biggie! Sorry your aren't feeling good. You gotta start resting more!

Whats going on???

Weekend was good..i am tired..grouchy and really uncomfortable today.

Friday night we went out for pizza and that was good...I went to the dr. before that..he is most likely 98% head down.....the dr. was funny..she was like it is hard for me to figure out your ab muscles and baby...I was like honey I don't have any ab muscles..but whatever.....but I am happy that he is facing down for now..then Saturday I did a bunch of errands and things around the house....we watched the hunger games which was good..yesterday did more errands and just hung around the house....it was good...my registry is 100% not updating I am so upset with it....after the shower I am going to complain.it is ridiculous.....

I didn't want to come here at all.....i am not feeling great.....i have had a stomach ache since 4am..i got up with it...and then I am stressing about work.....

Sounds like a good weeekned....i saw the pics from the fair....how did chrissy do?

good morning ladies ;)

how were your weekends?

mine was good.

friday we went to the marshfield fair to see the demolition derby and then played some games and went to a bar after. I got my corn dog and my carmel corn so I was very happy ;) Saturday we didnt do much at all. Went to the grocery store. I babysat for Julian sat night and Derek worked. I wanted to go shopping sat night for Kris' shower gift...but that got pushed to today maybe. Sunday after Derek slept for couple hours we went to Jeff and Sarahs and went to the beach for a couple hours and then went back to thier house for a cook out. Some of Sarah's friends were there. We brought Ronin so he had a fun time playing with Franklin.

I stayed up late every night so I am very tired today....I did not want to get out of bed this morning.
